

# *Charles Dickens Europe School*

## **OPEN DAY**

**Saturday, 7<sup>th</sup> September 2019 from 10 am to 1 pm**

(Information in English and German at 11 am.)

Our school is a state bilingual primary school (no school fees).

We have small classes in which 50% of the children speak English as their native language and 50% of the children speak German.

Each class has two teachers, one native English speaking teacher and one German speaking.

Children with English as their mother tongue are taught to read and write English based on the English National Curriculum.

The remaining subjects are taught in either English or German.

All children are expected to have a basic knowledge of the other, partner language.

We are a "gebundene Ganztagschule" which means that school time is from 8am to 4pm, four days a week, with one short day.

Our school is conveniently located with good public transport connections.
